Information held

WP records information about its customers for the purposes of administering an effective promotional, communication and advertising system and for marketing (including direct marketing) by post and by email. Data held includes customer contact details and information about interest in the **Zaria Resort Project**, including visits to the site, the premises of WP and any marketing or promotional events attended.

This information is kept by WP/the Controller for as long as is necessary for the purposes for which the personal data are processed, which is to enable us to analyze historical data, understand trends and improve customer service. This statement does not affect the user or data subject's right to erasure ('right to be forgotten') if the user or data subject wishes to exercise it by informing the Controller by e-mail info@alleagroup.com . This information is kept as a permanent record to enable us to analyze historical data, understand trends and improve customer service.

Customers joining a membership scheme or mailing list do so on the understanding that consent is given for WP to process and use the information given in accordance with this policy.

Using Information Held

WP processes and analyses information held to inform its business planning. We aim to build an understanding of customers' preferences so that the project requirements and facilities can be refined and information can be provided to customers who may find of interest. Information is only sent to individuals who have subscribed to a membership scheme or mailing list or who have previously communicated with us through any media or attended events where the Zaria Resort project has been showcased.

WP does not pass any personal details about its customers to any third party outside the WP group other than to third parties who analyze the data on our behalf and return the results to us for our own use.

Where customers have given their consent and that is implied if any communication has been received by WP by email, WP may send them marketing communications about other offers, products and services which may be of interest to them related to the Zaria Resort project or future development

projects. Customers' email details may be used to provide these information and marketing communications to them (including by showing them adverts on social media). Where customers would prefer WP not to use their personal data in this way they can opt out of all marketing communications at any time by emailing info@alleagroup.com.

Third Parties

Various third parties may advertise with us, in printed material and on our website. Our website also has links to third parties. WP is not responsible for how third parties deal with any information you submit to them and users should contact the third parties directly if they have questions about their Privacy Policies. WP does not pass personal data to any of these third parties.

Subject Access

Customers may request a copy of information held about them by applying to:
Marketing department email: info@alleagroup.com, office number: +357 25 83 3033
